Re: CT Freedom of Information Request
17 Backus Avenue
Danbury, Connecticut

To Whom It May Concern:

Under the Connecticut Freedom of Information Act, C.T. General Statutes sec. 1-200 et seq., our firm is requesting an opportunity to inspect or obtain copies of public records that related to 17 Backus Avenue, Danbury, Connecticut. We are specifically looking for environmental reports, sampling data, environmental files, records, permits, laboratory data and environmental investigations pertaining to this property. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25.00.

The Connecticut Freedom of Information Act requires a response time of seven business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the act.

Sincerely,

WOODARD & CURRAN ENGINEERING AND GEOLOGICAL SERVICES P.A. P.C.
